

How to find us.

Our location is Greenfoot Quarry near Stanhope. There is no postcode. What3words *choirs.strict.glassware* works well and will take you to the black entrance gates to the Quarry.

Alternatively, driving west up the valley along the A689, as you leave Stanhope, you will pass the Greenfoot Holiday park on your right. we are the second left turn after that. We have some mesh banners on our black gates at our entrance.

You can drive all the way down the track to the bottom, but please be aware that the track down is still very slippy and uneven. Until we get some dry weather, we can't do much about it, I'm afraid. you are welcome to leave your vehicle at the top near the gates and walk 2 minutes down to the water.
